Darius Rucker is currently one of the most popular country artists on tour today. Rucker recently joined Brad Paisley on his 2010 H2O World Tour, which made a stop at Saratoga's Performing Arts Center in July 2010. Relying mostly on music from his chart topping country albums--LEARN TO LIVE and, his latest, CHARLESTON, SC 1966—to entertain audiences on the road, Rucker will occasionally embrace his Hootie & the Blowfish heritage by turning "Let Her Cry" into a very sad, slow country tune or tease an acoustic intro to "Hold My Hand" before pouring the sultry lyrics out on the crowd. With #1's "Don't Think I Don't Think About It," "It Won't Be Like This For Long," "Alright," "Come Back Song," and his most recent chart-topper, "This," peppering the set, it's the unexpected crowd hits like "Family Tradition" and "Purple Rain" that truly showcase Rucker's vocal prowess and remind you of just how deep his southern roots run.

Tickets to see Darius Rucker live in concert will go on sale to the public on Saturday, August 20 at 10 a.m., and will start at \$35. Tickets are available exclusively through New Era Tickets at 1-855-GFCC-TIX, online at GlensFallsCC.com, or in person by visiting the Glens Falls Civic Center box office.
